- 1. Students must complete through the second semester of a first year language course or equivalent.
- 2. Students must meet with the Director of Internship and Placement at least two terms before beginning their internship.
- 3. CHE 113/CHE 113D recommended
- 4. CHE 224/CHE 225 recommended
- 5. CHE 226/CHE 227 recommended

This program assumes the student will use BIO 124 / BIO 124D to meet the general education laboratory Science requirement.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit falls below 15 credits/semester. (Interim may be split between fall and spring for the state grant purposes only.)

The scheduling of Seminary courses may vary. Please use this academic plan for illustrative purposes only.

- 1. Students must complete through the second semester of a first year language course or equivalent.
- 2. Students must meet with the Director of Internship and Placement at least two terms before beginning their internship.
- 3. CHE 113/CHE 113D recommended
- 4. CHE 224/CHE 225 recommended
- 5. CHE 226/CHE 227 recommended

This program assumes the student will use BIO 124 / BIO 124D to meet the general education laboratory Science requirement.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit falls below 15 credits/semester. (Interim may be split between fall and spring for the state grant purposes only.)

The scheduling of Seminary courses may vary. Please use this academic plan for illustrative purposes only.
